

## CWL Diocesan Communications Communique #4 – August 2018

**To:** Parish Council Communication's Chairpersons

**From:** Lynn Jones, Regina Diocesan Communications Chair

I hope you all had a wonderful summer with your friends and families and are looking to get back together with your CWL Family.

Shari Guinta, our National Communications Chairperson, will have finished her term once this communication is sent out. The CWL National website has gone through a huge revamp. The League has been working with a website design company on updating the look and navigation of the website. The website was due to be launched prior to the National Convention. Due to the popular use of hand held technology, an update was felt to be necessary so that the website would be easier to navigate and view on various devices. Please take advantage of these changes and plan to visit the website often.

Adele Giblin, our Provincial Communications Chairperson, brought forth in her Communique that I thought mentioned repeating to all of you:

***Media Relations:***

*We are asked to subscribe to at least one Catholic newspaper. The Prairie Messenger has closed May 2018. The Catholic Register newspaper can continue to provide a weekly catholic newspaper to the homes of The Messenger's loyal readers. If you had a Prairie Messenger subscription, you could order two free issues. To order, you can call toll free 1- 855-441-4077 Ext 404.*

This coming year I hope to get in touch with my counterparts in the local parishes. If you do have a communication chair or someone who is filling that role within your parish, I would love to have their contact information so that I can reach out on a more personal basis to see if I can help in any way. I have included our Provincial Communications contact information. [provCWLcommunications@gmail.com](mailto:provCWLcommunications@gmail.com) . Please put Regina Diocesan Communications Chair in Subject box. I would love to hear from each parish.

This concludes my report.
